

## 10 BENEFITS

Barbara Barrett, Langdale Industries

The new Fivestar mobile clinic.

***The Fivestar Mobile Clinic is available to patients at all Company facilities.*** The Fivestar Mobile Clinic sites include Valdosta, Quitman and Willacoochee. A schedule of the clinic times and locations is posted monthly at each facility. Visit <http://www.tlcbenefitsolutions.net/fivestar.html> for a virtual tour of the clinic.

The Fivestar Mobile Clinic is a partnership between The Langdale Company, Miller County Hospital, and Chancy Drugs. Patients using the Fivestar Mobile Clinic are pleased with the convenience of the on-site lab.

The clinic is staffed by Jennifer Hoff and Carsen Howell, RN with TLC Benefit Solutions, and a Miller County Hospital physician or nurse practitioner from Miller County Hospital.

The clinic is available for all employees and dependents (children 12 yrs or older) who are covered by the company's health plan whether they have a primary care physician or not. An employee may request an appointment by contacting TLC Benefit Solutions 229-249-0940. New patients must complete the New Patient Packet found at [www.tlcbenefitsolutions.net/fivestar.html](http://www.tlcbenefitsolutions.net/fivestar.html) prior to the scheduled appointment.

Jennifer Hoff and Carsen Howell, RN, staff the clinic.

Interior of the spacious new mobile clinic.
