

Give your kids a strong financial start.

Unum Whole Life Insurance for children can help.

You do everything you can to protect your kids and their future — including their financial well-being. That's why life insurance, even at a young age, is so important.

If an accident or illness were to claim the life of your child, this policy could provide the resources needed to deal with the financial strain of your loss — so you can take care of your family during this difficult time.

This coverage can be purchased without purchasing employee coverage. Each policy covers one child or grandchild; you can purchase coverage for each of your children and grandchildren.

Child eligibility

Coverage is available to your:

- Children (natural and legally adopted)
- Stepchildren
- Grandchildren

Children/grandchildren are eligible from 14 days old until their 26th birthday. Children must reside in the U.S. to receive coverage.

Features that add value

Cash value — Accumulates at a rate of 3.75%. You can borrow from the cash value if you choose, or use it to buy a reduced policy with no more premiums.

Policy amounts of \$1 to \$3 per week require no health questions if you apply when you are first eligible. If you wait, there will be a few medical questions.* Coverage beyond \$3 per week is available but requires health questions to determine eligibility.

At age 70, the policy is fully paid up. This means no more premiums must be paid. The benefit is payable to the beneficiaries upon death.

Three reasons to buy this coverage at work

1

You get competitive rates when you buy this policy through your employer, and the premiums are conveniently deducted from your paycheck.

2

You own the policy so you can keep it even if you leave the company or retire. Unum will bill you directly for the same premium amount.

3

Coverage becomes effective on the first day of the month in which payroll deductions begin.

When you buy life insurance, you name the people who will receive the money from the policy when you die. These people are called beneficiaries. Unum will pay benefits to the beneficiaries in one lump sum; however, if a beneficiary is a minor (typically younger than 18, but this may vary by state) and no financial guardian has been appointed, the benefits will be paid to that minor through a Unum Retained Asset.

A Unum Retained Asset Account is a fund held in Unum's general account for the named minor beneficiary. The account accrues interest regardless of Unum's actual investment performance, and, while not FDIC insured, the account funds are fully guaranteed by Unum.

For more information about the retained asset account, please contact Unum.

*\$2 per week maximum in WA

For policies effective 1/1/2022 and after, cash value accumulation is based on a non-forfeiture interest rate of 3.75% and the 2017 CSO mortality table.

Exclusions: Life insurance benefits will not be paid for deaths caused by suicide. If within 24 months (12 months in North Dakota) from the policy effective date, the insured commits suicide, whether sane or insane, Unum will not pay the death benefit.

The amount payable by us in place of all other benefits, shall be the sum of premiums paid, without interest, less the sum of any debt and the cost of any riders.

1. written request by you to terminate the policy;
