TROUP COUNTY SCHOOLS RETIREE INFORMATION

Retiree Medical Plan Information

If you begin drawing an immediate pension upon retirement from Teachers' Retirement System or Public School Employees' Retirement System, you can maintain your existing medical plan until you reach age 65 and become eligible for Medicare.

For those retirees and spouses (if covered) age 65 or older, you must register with Social Security for Medicare Parts A and B 60 days prior to turning 65.

Complete Medicare enrollment online at www.ssa.gov or visit your local Social Security office (1300 Lafayette Pkwy suite A, LaGrange, GA). There will be a "Request for Employment information" form you will need to take to the Central Office.

Do not enroll in Part D, as Medicare Advantage contains this component. Enrollment in Part D or other Medicare supplemental policies will end your Medicare Advantage eligibility.

Contact SHBP at 1-800-610-1863, they will take your information over the phone, or log onto your www.myshbpga.com account to report the effective date(s) of your Medicare Part A and B coverage. SHBP will accept this information as early as (90) days prior to retirement.

SHBP will use this card to verify eligibility for Medicare with the Centers for Medicare & Medicaid Services (CMS). Once verified, you will be eligible for the Medicare Advantage plans.

Medicare Advantage Plans are the only medical plans subsidized by SHBP once you turn age 65. If you remain on the Gold, Silver, or Bronze you will pay the full cost of the plan (Individual - \$1,466.67-\$1,703.79/month). For more information on the Medicare Advantage Plan, please visit the State Health Website (www.shbp.georgia.gov) to review the SHBP Retiree Decision Guide and dates. Immediately after retirement you will need to call SHBP at 1-800-610-1863 to choose a Medicare Advantage Plan. If you do not contact SHBP to choose a plan, your coverage will default to United Healthcare Medicare Advantage Standard Plan.

SHBP has two rate structures for future retirees:

- (1) **Annuitant Basic Subsidy Policy:** Hired and active in a State Retirement System as of 1/1/2007 with No break in employment (Old Policy).
- (2) **Annuitant Years of Service Subsidy Policy:** Hired after 1/1/2007 in a retirement system (New Policy).
