

Great rewards for healthy living

Enjoy the rewards of healthy choices with your HMO plan and the MyIncentive Account.

The Anthem Blue Cross and Blue Shield (Anthem) HMO plan option with the MyIncentive Account (MIA) gives you the opportunity to use well-being incentive credits to help reduce the cost of your health care. You and your covered spouse can each earn well-being incentive points by completing certain health actions through the Be Well SHBP Program administered

by Sharecare. These points can be redeemed for well-being incentive credits that can be used with the HMO plan to reduce your covered out-of-pocket medical and pharmacy expenses.

To get started, first register at BeWellSHBP.com and complete the RealAge test[®]; then you can participate in other healthy actions to earn well-being incentive points. See the chart below for details.

How does it work?

1. You and your covered spouse can each earn well-being incentive points by completing certain health actions through the Be Well SHBP Program, administered by Sharecare.
2. The points you earn can be redeemed for well-being incentive credits through the Sharecare Redemption Center. Once you redeem them as credits, they are deposited into your MyIncentive Account (MIA), a special spending account tied to your HMO plan.³
3. You pay for your covered services as you normally would (i.e. co-pay, co-insurance, etc.)
4. Your claim is automatically sent to Anthem — you don't have to do anything else.
5. You receive a refund check for your covered expenses, up to the amount of credits available in your MIA.
6. Once you've used all the credits in your MIA, you're responsible for paying your co-pays or co-insurance and meeting your deductible.

How many well-being incentive points can I earn?

You and your covered spouse are each eligible to earn up to 480 well-being incentive points (that's up to 960 points total) that can be redeemed through the Sharecare Redemption Center for well-being incentive credits.³ These credits can be used to reimburse you for covered out-of-pocket medical and pharmacy expenses.

What is the deadline for completing 2020 wellness actions?

All documentation for completed wellness actions must be received by Sharecare by **November 30, 2020**.

Do I need to do anything to set up the MIA?

No. Anthem will set up the account and the well-being incentive credits that you earn will be added approximately one month after you redeem your points as credits.

How can I check my account balance for available credits?

Just log in to [anthem.com/shbp](https://www.anthem.com/shbp), select the *My Plan* tab, then select *Spending Accounts*. You can also call our Member Services line at 855-641-4862.
